Text Banking Instructions

1. To utilize text banking, you need to first be enrolled in digital banking. Sign up at www.ucbankmn.com or enroll directly through our mobile app. (To learn more about digital banking see <https://www.ucbankmn.com/eservices/online-banking>.)
2. Open the full menu, and click on the top where it says WELCOME (NAME). This will bring up My Profile. Then select Phone.

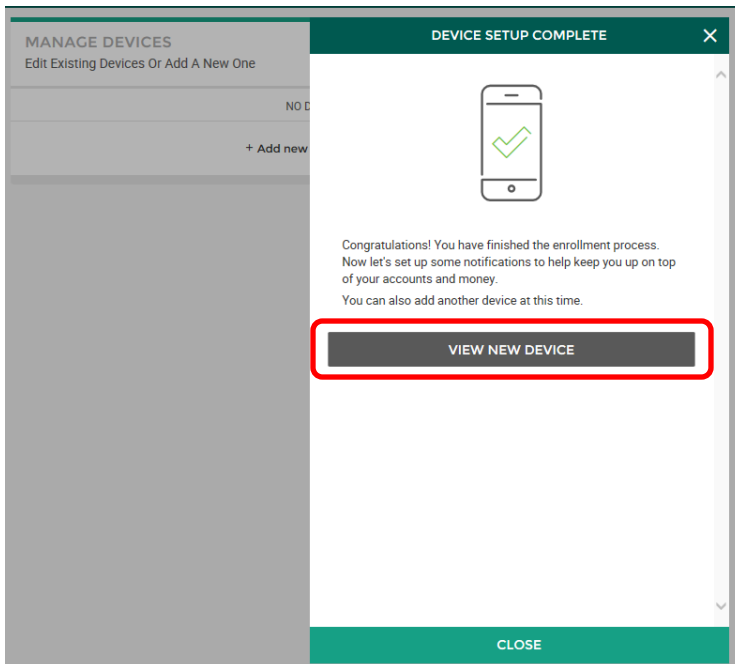

3. Select Add new mobile device and enter your information in.

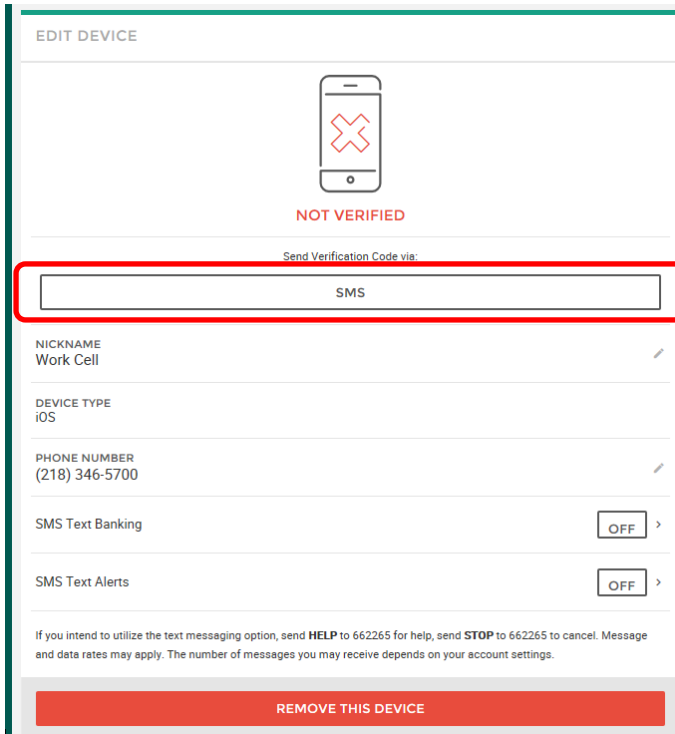

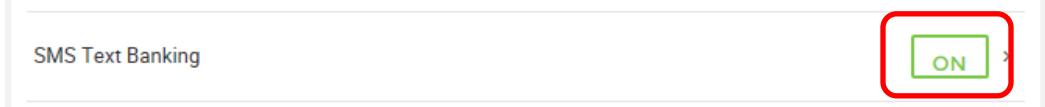

4. Once added, click VIEW NEW DEVICE.

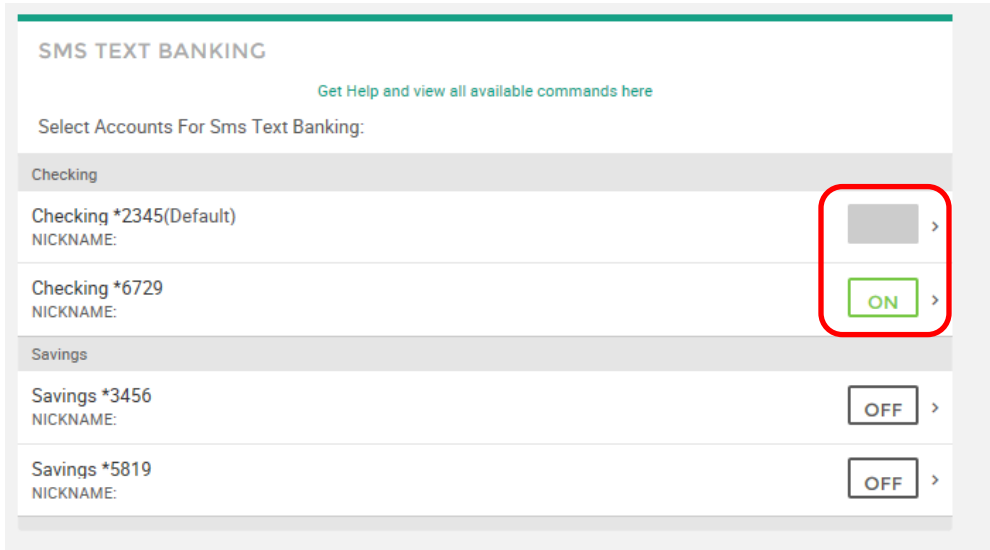

5. Click the SMS button to send yourself a verification text. Enter in the code, and now your phone is verified and activated.

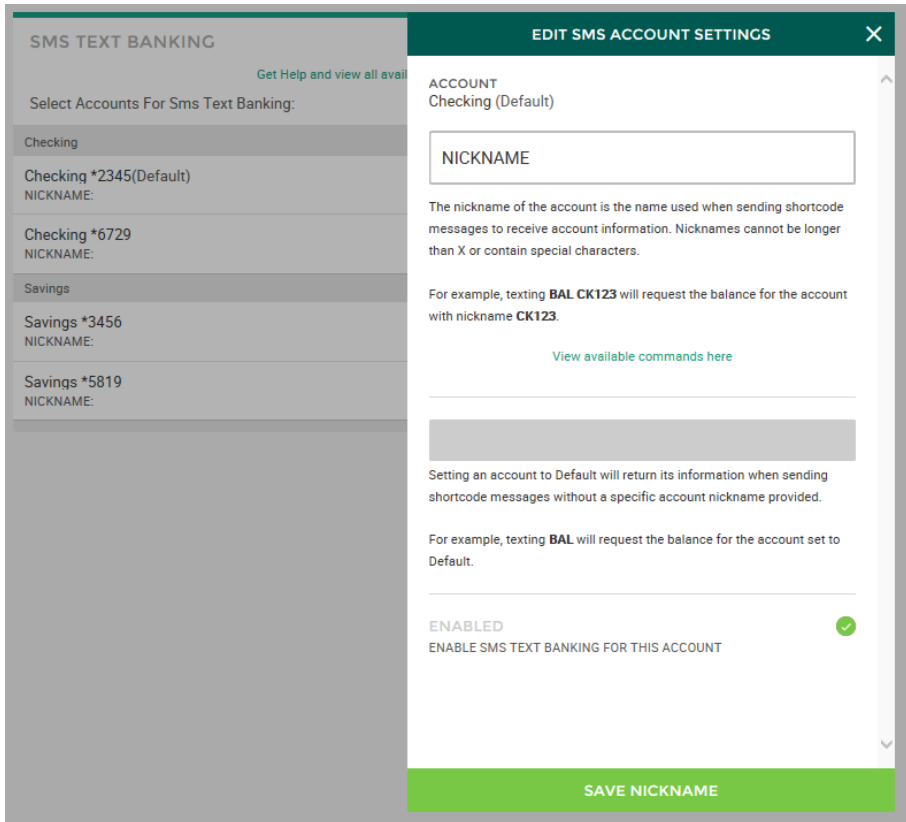

6. Click to turn on SMS Text Banking, then click the arrow to pull up the Text Banking options.

7. Here you can edit access to specific accounts.

8. Click the arrow to the right to edit nicknames and view instructions further instructions.

9. You are now set up and ready to go! You can text any code below to 662265.
