Greetings UCB Customer,

My name is Ryan Rustad, I serve as UCB's Chief Lending Officer and I want to keep you up to date on any information regarding the Paycheck Protection Program (PPP) loan which you have received.

The Treasury Department along with the Small Business Administration (SBA) have released new information and guidance that we feel is essential to our customers. I have attached two resources for you to review and consult to make sure you stay up to date on everything that is happening.

This first, is the Treasury Department's PPP website that is constantly being updated with information. To view that site [click here.](#)

The second, is the SBA "Frequently Asked Questions" page. This page offers guidance and helps clarify PPP loans. That site can be found by [clicking here.](#)

United Community Bank we will stay committed to you, our customer, during these challenging times. If you ever need help, guidance, or assistance do not hesitate to reach out. We are here to serve you.
